With a decade of experience and expertise, we are a renowned manufacturer and supplier of SS products. Our product range is highly appreciated in the market for its robustness, fine precision, customization, high accuracy and economical prices.

## About Us

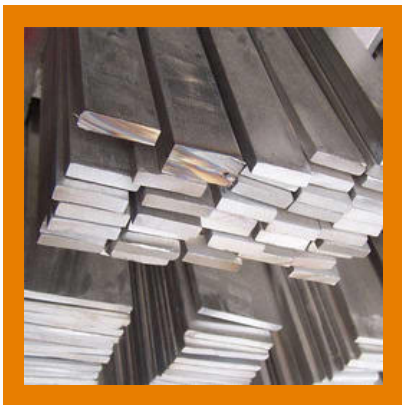

**Shiv Shakti Metal India**, incepted in **2005** has emerged as a leading manufacturer and trader of a diversified range of SS Products. We are renowned for our wide range of products which include **SS Bar, Metal Angles, SS Coil, SS Sheets, SS Rods, Metal Pipes, SS Plates and much more.** Our products are known for their aesthetic designs, strength, high durability, easy to install and maintain. We offer the most efficient products at very competitive prices, ensuring value for money with outstanding service support. Our ethical business practices and customer-centric approach has won us accolades from our esteemed clientele.

With state-of-the-art facilities and dedicated professionals, we are poised to deliver international standard quality products at the most affordable rates. We make sure that our offered range goes through a stringent quality check process after it is manufactured. Our adept specialist, skilled designers, efficient work force and matchless resources enable us to serve the demands of various sectors with quality solutions. Moreover, our way to look at the architectural vision of today's construction, wide distribution channel and on time delivery schedules has given us a competitive edge in the market.

Our company is constantly progressing under the leadership of our mentor **Mr. Pravin Purohit**, who has always encouraged new ideas of manufacturing to offer better quality of products to our clients. Being highly experienced in this domain, he is the ultimate source of inspiration for our team.
