# Babu Engineering Works

<https://www.indiamart.com/babuengineering-works/>

We are engaged in Manufacturing a wide range of Bakery Sheeter, Bread Slicer, Planetary Mixer, etc. Our manufactured machines are widely appreciated for its quality, performance and almost zero maintenance.

## About Us

Established in the year **2016**, “**Babu Engineering Works**”, is distinguished **Manufacturer** of a wide gamut of **Dough Sheeter, Bread Slicer, Planetary Mixer**, etc. We are engaged in providing clients with impeccable quality products. We have established a sophisticated quality-control laboratory that is equipped with all the ultra-modern tools and equipment. Our expert team of quality controllers directs their efforts to inspect each product on well-defined parameters before its delivery at the client's end. In addition, they also monitor the entire production process to avoid the chances of inconsistent quality in finished products.

Under the guidance of “**Mr. Vikash Babu**”, our mentors, we have learned the sophistication required to manufacture these products. Their vast knowledge and experience have been the motivating factor for our team of professionals.
