

Nibras Engineering Works

M/S Nibras Engineering Works is one of the well-known organizations, immensely indulged in manufacturing an extensive range of products such as **Rubber Seal Kits, Rod Seal, Hydraulic Rubber Seal and much more.**

About Us

Founded in the year **2015**, **M/S Nibras Engineering Works** is one of the well-known organizations, immensely indulged in manufacturing an extensive range of products such as **Rubber Seal Kits, Rod Seal, Hydraulic Rubber Seal and much more**. Our presented products are broadly admired by our patrons for their sturdy design, top quality, longer life, fine finishing and nominal prices. These are made using the advanced technique. Moreover, we develop these products in different specifications that meet on market demand.

Our firm is working under the leadership of our mentor **Mr. S.S Azad**. Under his leadership we are climbing the stairs of achievement, since our commencement.
