

LOGISTICS

FLEET OWNERS & TRANSPORT CONTRACTOR

Introduction

We take the pleasure to introduce S C T LOGISTICS as an India's leading transport and logistics Solutions Company, completely focused on providing high quality end-to-end logistics solutions to corporate customers as well as individuals.

With a combination of expert professionals, we are committed to give reliable and on-time delivery services, specialize in FTL (Full Truck Load), PTL (Part Truck Load), superfast cargo and ODC (Over Dimension Cargo). Our area of expertise lines specifically in the Road, which gives our clients uncompromised and fast delivery network.

We believe that no company is too big or too small. Hence, with our industries expertise and hard-working team, we can offer and deliver any kind of Tailored Solutions & Logistic needs. It is our aim to provide every customer with tailor-made operations.

Company was established in 2015 under the stewardship by Mr. Chhatrapati Tiwari, with a single truck taking a vision to build the SCT LOGISTOCS Company. Over the years, the Company has grown in leaps and bounds and created its place as one of the reputed logistics and transport solution provider. Within a short span of time, the Company today owns and operates a fleet of more than 34+ trucks,tankers and trailers.

In a span of 08 years, we have consistently explored various ways to bring premium value to the customer, always setting benchmarks in quality of service and customer satisfaction. With a large group of employees and associates, we are committed to provide valuable and satisfactory services.

VISION

To be India's leading and most preferred integrated transport service provider by providing high quality a service.

The Company intends to achieve excellence in the area of logistics by providing value-added services to realize our customers' logistics needs, and support them in gaining a competitive edge in the marketplace, through absolute reliability

In order to fulfill this vision, the Company provides a spirited and professional environment, to ensure that our team is able to offer the best possible services, utmost quality and safety standards at an optimum cost.

MISSION

Our mission is to create satisfied customers by offering them integrated logistics services in the most effective way, and to be the safest, most consistent and cost-efficient logistics service providers, thereby ensuring long lasting business relationships and growth of both the organizations.

We strive to maintain a superior quality of fleet, conduct our business ethically, with fairness, integrity and compliance with applicable laws and in this manner create value for our entire associate.
